How does SFFCU define “immediate family member”?

1. Legally married spouse.
2. Never married children, stepchildren, court appointed foster or guardian/custodial children, legally adopted children, and children of divorced members, under the age of 25 who receive more than 50% of their annual support from the parent/guardian/custodian and are either:
 - living under the same roof and in the same household as the member or parent/guardian/custodian, or
 - attending school full time
3. Children incapable of self-sustaining employment over the age of 25 living in the same household who receive more than 50% of their annual support from their parents/guardian/custodian.
